Investment Opportunities

We are opening our doors to visionary investors to help us achieve listing on the Dar es Salaam Stock Exchange (DSE). This is your chance to:

- Be part of a transformative agribusiness revolution.
- Earn dividends from our diversified and rapidly growing portfolio.
- Contribute to Tanzania's agricultural growth story.

Why Invest in Us?

1. Rapid Market Growth

- Africa's agricultural sector is expanding, with rising demand for high-quality fresh produce and processed foods.

2. Strategic Integration

- Sokoine Agrienterprises integrates the entire value chain—from production to doorstep delivery—ensuring consistent quality and market access.

3. Strong Partnerships

- Collaborations with universities, innovation hubs, and local farmers ensure access to cutting-edge research and sustainable practices.

4. Expansion Plans

- Construction of six new screenhouses and 50 greenhouses.
- Establishment of a vegetable processing and packaging facility to serve regional markets.

5. Social Impact

- Supporting local farmers, creating jobs, and contributing to food security in Tanzania.

Key Highlights

- Annual Revenue Growth: 30%+ projected increase year-over-year.
- Existing Partnerships: Agreements with top supermarkets, restaurants, and logistics firms.
- Market Reach: Serving urban centers across Tanzania, with plans to expand into East Africa.
